

2018-2019 Student Contest

Imagine a World Without Hate

C O N T E S T

What would a world without hate feel, look, or sound like? What can be done to make the world a place where all people are accepted and appreciated for who they are?

- WHO:** Students in grades 3-12 in Georgia, Alabama, South Carolina, and Tennessee schools.
- WHAT:** The contest asks students to imagine a world without hate. Students should consider what that would feel like, look like, sound like, and what can be done to make the world a place where all people are accepted and appreciated for who they are. Students should also consider what they personally can do to help create a world without hate, and who inspires them to work towards this goal.
- HOW:** Through original written or artistic expression:
- Written work includes essays, poetry, short stories, screen plays.
- Art/Media includes video, drawing, paintings, photography, cloth, collage and computer art.
- WHEN:** Students create and submit entries to ADL SE Regional office in fall 2018 and winter 2019. Deadline for all entries is **March 17, 2019**.
An awards ceremony and program will be held on Sunday, April 28, 2019 to present prizes and recognize winners and runners-up of the contest. Entries will be displayed at the Kennesaw State University Museum of History and Holocaust Education through summer 2019.
- WHY?** Because we are counting on YOU to make our communities no place for hate!
